

SUPT. DRIGGS ELECTED PRESIDENT OF OGDEN CHAUTAUQUA

Superintendent Frank M. Driggs of the State School for the Deaf and Blind, was elected president of the Ogden Chautauqua for this year at a meeting held yesterday of the Ogden Chautauqua association in the University club. Dr. E. P. Mills, secretary and O. A. Parmley, treasurer. The last named were re-elected.

These officers and five other members of the association will form the executive committee, which will have charge of the distribution of tickets, the placing of advertising, selection of the grounds for the coming event of June 8 to 14 and co-operating in other matters with the Ellison-White bureau. The additional members of the executive committee, who were named were Mrs. Georgina Marriott, Mrs. J. L. Anderson, Supt. H. C. Johnson, Dr. A. D. Barber and Max Woodbury.

A special committee composed of I. N. Pierce, Frank M. Driggs and Mrs. Marriott was appointed to confer with the city commission relative to securing Lester park as the place to pitch the Chautauqua tent. The association will offer a bond that the park will be restored to as good a condition after the Chautauqua as it is in now.

The campaign for ticket sales will not be started until the first ten days prior to the opening of the Chautauqua, although at least 500 tickets were taken yesterday through reservations made for annual patrons.

At the meeting Sec. Mills briefly outlined the program which will be given this year and declared it to be the best that Ogden has ever been offered.

BE PRETTY! TURN GRAY HAIR DARK

Look young! Nobody can tell if you use Grandmother's Simple recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for Wyeth's Sage and Sulphur Compound you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Advertisement.

FOOD CONSERVATION KITCHEN WANTED

The food conservation committee held a regular meeting in the City Hall last Friday evening.

For some time the women have felt that there must be a community kitchen in which our government expert can give practical demonstrations in war food preparations and how fruit and vegetables may be conserved, which otherwise might be wasted. The Relief society building of the Third ward, located on Hudson avenue has been offered to the city conservation committee for use during the war period. The chairman appointed a committee to consider the proposition. If there is anyone who has an offer to make at this time, they are earnestly solicited to do so at once by calling Mrs. Chris Flygare, phone 1189.

The women are very anxious to secure this kitchen in compliance with the wishes of Ogden women in order to meet the demand in the largest way. Any offers or suggestions will be welcomed at this time. An open market was also taken under advisement.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets. Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They starve the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

Japan has more than 12,000 co-operative societies.

WEST CACHE SUGAR STOCK SOLD TO OGDENITES

Fifty-one per cent of the stock of the West Cache Sugar company of Logan has been purchased by Ogden capitalists, the deal involving a half million dollars, according to an announcement made yesterday. The deal has been completed, the money paid and the control of the plant turned over to the new interests. It is said that the stock was bought practically at par, so that there was no loss to the original holders.

The announcement caused considerable surprise in the industrial circles of Ogden and so far the new purchasers have not announced their part in the transaction. The president of the company, J. A. Hendrickson, who was the original promoter of the concern, was in Ogden yesterday and, when questioned on the matter, admitted that a majority of the stock had been purchased by Ogden capitalists.

President Hendrickson said the investment is a very desirable one, as the plant could not be duplicated at this time for less than 20 per cent more than the original cost, also that 70 acres of land donated to the company by the people of Cornish, which is worth at least \$15,000, together with a perpetual water right were not figured in the sale of the stock.

The Logan plant has been operated through only one sugar season, but now has 6,000 acres of beets in sight, which is said to be enough for the entire run this year. Railroad facilities of this plant are said to be excellent.

LOCAL CENTER OF DRAMA LEAGUE

A meeting will be held tonight at the University club rooms for the purpose of effecting an organization of a local center for the Drama League of America. This society is now well organized throughout the United States and has among its members some of the most prominent people of the country. The aim of the Drama league is to improve public amusements, especially along the line of dramatic productions.

When Dr. S. H. Clark was here a week ago the matter was taken up with him by a number of those already interested in the movement and the plans were formulated for going ahead with the organization of a local center. The noted professor and reader is one of the members of the board of directors of the national organization and is an organizer of centers as well. Professor Clark suggested that no better time could present itself than the present for the organization of the center. A committee was appointed at that time to make the necessary arrangements.

Notices have been sent to all societies and clubs that should be interested in the movement, asking their members to be present at the meeting tonight. All persons interested in the movement are invited to attend the meeting and discuss the establishment of the center.

Membership in the league is open to men and women and the center must have a minimum of 100 members before it can be given a charter from the national organization. When organized the league will be non-social and will direct its energies toward promoting better plays and attracting to Ogden the highest forms of public amusements.

The meeting at the University club rooms tonight will open at 8:15 o'clock.

DELEGATES NAMED FOR ELKS' MEETING

Members of Ogden lodge No. 719, B. P. O. Elks, are planning to attend the annual convention of the Utah Elks' state association at Provo, June 5.

In view of this country's participation in the war and the fact that the Elks have sent hundreds of men into the army camps, the convention of the state association will be patriotic to a marked degree.

Delegates elected by Ogden lodge to attend the convention are: George Huss, R. M. Hoggan, John Culley, M. J. Healy, Harold J. Packer, P. F. Kirkendall, P. C. Richardson, Ernest B. Stone, W. T. Greenwell, L. A. Herdt, Clarence H. Packer, Charles P. Carlson, Trace A. Turner, Fred Williams, Fred Bailey, Henry Rosenbluth, Bert Treseder, E. C. Christianson, Harry Lindell and Frank Burgess.

MISS KASLUS WILL ATTEND CONVENTION

Miss Cora Kaslus, a member of the Red Cross, has been chosen to represent Ogden at the national convention of social workers to be held at Kansas City, Mo. Miss Kaslus left Ogden last night in order to be on hand Tuesday when the convention opens.

The object of the convention is to effect a better working organization for social work in all the cities of the United States, the work to partake partly of a patriotic nature and to serve the necessity of an intermediary organization between the various relief societies and charity work of the Red Cross.

FORMER CHICAGOAN DIES. LONDON, May 13.—Mrs. Harry Gordon Selfridge, wife of the London merchant, formerly of Chicago, died last night at Higbeecliffe Castle, the country place of the Selfridges near Bourne-mouth.

Wright's
A GOOD PLACE TO TRADE

THIS WEEK'S PROGRAM

Very few weeks of the year are so filled with important selling events as is this week—beginning tomorrow. Three of the most important sales of the year happen in this second week of May. While it is true that some of these sales were started last week, it is also true that they are to continue through the coming week with the same splendid assortments as advertised at the beginning. Take time to read carefully today's announcement.

May Silk Sales \$1.25 TWO THOUSAND YARDS OF Crisp New Silk Go On Sale

Tomorrow is the opening day of the Great Silk Sale of May. Every window of our Washington avenue Frontage is now filled with the stupendous display that has created a veritable strea mof inquiries.

Tomorrow morning two thousand yards of the handsomest silks of the season are to be placed on sale at \$1.25 a yard—in most instances the values are double.

Silks of all kinds and for purposes are included. Plaids, Checks, Stripes, Plain and Colored Messalines, Taffetas in most all of the wanted colors. Silk Poplins that are 40 inches wide Staple black silks. Beginning with the opening of the store tomorrow morning—One grand lot at one low price—\$1.25 a yard.

Sale of Embroideries and White Fabrics

This sale of Embroideries and White Dress Fabrics and White Staple Cottons will continue during the week. Not only are girl graduates and spring brides taking advantage of these offerings, but women are supplying now, at very low prices, all of the materials that will be wanted for summer dresses—underclothing, etc.

All of the good values advertised in the beginning are still here. Embroideries, White Fabrics of all kinds and staple White Cottons.

The Sale of Ready-to-Wear

The town is all agog with this sale of Ready-to-Wear. The hundreds of women who secured rare bargains here last week are responsible for the continued crowds. And the assortment is not broken by any means. And the sale will continue until every garment has been sold. Come in tomorrow.
